Subject: Belmont Report September & October 2005

Dear Fellow workers,

Greetings in the wonderful name of our Lord and Savior - Jesus Christ. As always my prayer is for this and all my reports to find each and everyone of you in the best of health, serving the Lord.

Let me take the opportunity to apologise for not getting September report out on time. I will also like to once again to express my deepest sympathy to Br. Bill Elliott on the passing of his beloved mother.

Even with the terrible weather and my unfortunate car accident we accomplished a lot in both months. I am still in the process of getting my records together for the respected students.

At this point in time, several members have handed in to me various names of students and the courses they have completed. As soon as all is in I can get an up to date list to send off to you guys.

Work in the Fields:

As mentioned before our BCC's students has increased. Our new work is proving rather successful. At this point in time we have roughly 13 BCC Students along with our personal home study students.

Br. Weston collected a copy of all 20 lessons and is now copying them to get to his group of students - thanks be to God. He continues to play a major role with me in the fields.

We are putting a halt on the door knocking aspect of the work for about a month or 2. This is enable proper documentation, follow-ups and to continue with our home study students.

I checked at the Post Office yesterday, the tracts are not here as yet. Will keep you posted. Allow me to says "Thanks" in advance.

The Congregations:

For the past 3 weeks I was without the vehicle, a decision was made to have both congregation worship together. We did this at Richland Park. For several of the members in Belmont they had "a heart felt day of worship". As a result of this the talk of merging both congregations is now at its peak. Please give me your opinion and insight - about the merging of both Belmont & Richland Park church!

Men Training Classes have officially started in Richland Park. Wednesday nights at 6:30 pm before our mid-week bible class. I am using one of Br. Claude Guild's book on

Traing Men to Preach and Serve. The men are very excited about this. We have decided one week theory and one week practical.

The Ladies have also decided to get their classes up and running. Sis. Sharlene is doing her utmost best to encourage them along that line. Sis. Romeo has volunteered her services and time to work with the children in the congregation and the community.

Financial Reoprt:

We continue to receive US\$200. from West End towards Belmont work fund. CE\$150. is still being allocated towards monthly transportation. Insurance and usage of School property already paid up for the balance of the year.

We continue to fight the good fight at both Belmont & Richland Park. As Br. Cumberbatch reminded me the Devil is weeping because the church is still here. Him and Br. Terrence where here once again conducting revival meetings in Both Richland Park and Kingstown.

I am patiently awaiting your response as to what you think about the merger of both Congregation. Belmont is here because of you, and we do value your opinion and support.

Yours in Christ
Rohan Hector
