Hi Brothers and Sisters in CHRIST,

We would like to take this opportunity to thank all of you who played a part and some of you an active role, in allowing Bill Elliott to share the Gospel with us down here in East London, South Africa.

We, at Keam Road, appreciate the financial and spiritual support you are giving Bill. We are of the understanding that individuals came forward and put their hands into their pockets, for this we thank you from the bottom of our hearts.

It is evident that you love the LORD "much".

Bill has already got involved in preaching the gospel to Conrad Brandstetter, (His wife is a sister in Christ), and others in need of Christ.

Bill has settled in very well, and he is loved. He preaches and teaches with his heart! The congregation has accepted him with open arms.

He is loved and spoiled !!! He deserves it as he works hard and long hours, . . . This is NOT what is expected of him, he simply gets on with the Lord's work.

All, at the local Church, is being uplifted and motivated. The attendance is steadily climbing, (Monday evening we had 5 Baptisms).

It was great having Bill in our home; from February 2nd he moves into his own apartment.

Lots of love, and kindest of regards,

In Jesus who saves

Adriaan Le Roux, (for the congregation at Keam Road, East London,
South Africa)
